- Request a form from the office for automatic Transfer, fill in the appropriate information, and return to the office once completed.
- If you bank at an Affinity Credit Union, you can go in to your branch and give them the Account information of Hepburn MB Church (located on your requisition slip), and it will be set up on your online banking so you can make one time transfers or schedule an automatic transfer amount on a specific day each week\month using your online banking.
- If you don't bank with Affinity, you will need to contact your bank to see if it is possible to set up a scheduled transfer to an Affinity account

2. ETransfer
