

Purpose:

At Hepburn MB Church, one of our key values is developing people and leaders. This application is one way we strive to do this by offering a financial incentive for our youth and/or adult leaders who wish to attend a school or program for Biblical education.

Process:

All applications will be reviewed by LC who may enlist the help of staff, youth sponsors and other lay leadership in the process. After reviewing the applications, LC will decide on who will receive the bursaries, the amounts of the bursary, and all necessary information from the process will be documented in LC minutes. Not all applications will automatically receive this bursary.
